Dear Prof. Nori,

In recognition of your dedication to quality scientific peer review, OSA Publishing would like to thank you for completing two or more scientific paper reviews over the last year. Your efforts helped to ensure that OSA Publishing is able to continue to uphold the quality and stature of its journal program in the optics and photonics field.

Please accept the enclosed certificate as a small token of our appreciation for your time and efforts. We are very grateful for your involvement with OSA Publishing!

Kind regards,
