1st most cited paper in *Nature Reviews Physics* (Lifetime)

1st most cited author in *Physical Review A* (2010)

1st most cited author in *Physical Review A* (2013)

1st most cited author in *Physical Review A* (2014)

1st most cited author in *Physical Review A* (2015)

1st most cited author in *Physical Review A* (2016)

1st most cited author in *Physical Review A* (2017)

1st most cited author in *Physical Review A* (2018)

1st most cited author in *Physical Review A* (2019)

1st most cited author in *Physical Review A* (2020)

1st most cited author in *Annalen Der Physik* (2005)

1st most cited author in *Physics Today* (2005)

1st most cited author in *Computer Physics Communications* (2013)

1st most cited author in *Nature Reviews Physics* (Lifetime)

1st most cited paper in *Annalen Der Physik* (2005)

1st most cited paper in *Physics Today* (2005)

1st most cited paper in *Computer Physics Communications* (2013)

1st most cited author in *Nature Reviews Physics* (2019)

1st most cited paper in *Nature Reviews Physics* (2019)

1st most published author in *Physical Review A* (2012)

1st most published author in *Physical Review A* (2014)

1st most published author in *Physical Review A* (2016)

1st most published author in *Physical Review A* (2017)

1st most published author in *Physical Review A* (2019)

1st most published author in *Physical Review A* (2020)

1st most published author in *Physical Review A* (2021)

1st most published author in *Europhysics Letters* (2004)

1st most published author in *Physics Reports* (2017)

1st most published author in *Physical Review Research* (2022)

1st most published author in *PRX Quantum* (2022)

2nd most published author in *Npj Quantum Information* (Lifetime)

2nd most published author in *Physical Review A* (2009)

2nd most published author in *Physical Review A* (2010)

2nd most published author in *Physical Review A* (2013)

2nd most published author in *Physical Review A* (2015)

2nd most published author in *Physical Review A* (2018)

2nd most published author in *New Journal of Physics* (2006)

2nd most published author in *New Journal of Physics* (2016)

2nd most published author in *Npj Quantum Information* (2020)

3rd most cited author in *Europhysics Letters* (2004)

3rd most cited paper in *Annalen Der Physik* (Lifetime)

3rd most cited author in *Advances in Physics* (2006)

3rd most cited paper in *Advances in Physics* (2006)

3rd most published author in *Physics Reports* (Lifetime)

3rd most published author in *Physical Review B* (2007)

3rd most published author in *Physical Review B* (2008)

3rd most published author in *Europhysics Letters* (2006)

4th most cited author in *Physical Review A* (2012)

4th most published author in *Physical Review A* (Lifetime)

4th most published author in *Physica C: Superconductivity and Its Applications* (2006)

4th most published author in *New Journal of Physics* (2017)

5th most cited author in *Reviews of Modern Physics* (2013)

5th most cited author in *Physics Reports* (2017)

5th most cited author in *Annalen Der Physik* (Lifetime)

5th most cited paper in *Reviews of Modern Physics* (2013)

5th most cited author in *Npj Quantum Information* (2015)

5th most cited paper in *Npj Quantum Information* (2015)

5th most published author in *Scientific Reports* (2013)

5th most published author in *New Journal of Physics* (2013)

6th most cited author in *Physica C: Superconductivity and Its Applications* (2006)

6th most cited author in *Physics Reports* (2015)

6th most cited paper in *Physics Reports* (2015)

6th most published author in *Physical Review Research* (2021)

7th most cited author in *Physical Review A* (2009)

7th most cited author in *Physica E: Low-Dimensional Systems and Nanostructures* (2003)

7th most published author in *Physical Review Research* (Lifetime)

7th most published author in *Physical Review B* (2009)

8th most published author in *New Journal of Physics* (Lifetime)

8th most published author in *Physical Review Letters* (2021)

8th most published author in *Physica E: Low-Dimensional Systems and Nanostructures* (2003)

9th most cited author in *Physics Reports* (2010)

9th most cited paper in *Physics Reports* (2010)

9th most cited paper in *Reports on Progress in Physics* (2011)

9th most cited author in *Reports on Progress in Physics* (2011)

9th most published author in *Physical Review B* (2013)

9th most published author in *Physical Review A* (2007)

10th most cited author in *Nature Physics* (2014)

10th most cited author in *Physics Reports* (2011)

10th most cited author in *Npj Quantum Information* (Lifetime)

10th most cited paper in *Nature Physics* (2014)

10th most published author in *Physica C: Superconductivity and Its Applications* (2008)

10th most published author in *New Journal of Physics* (2008)

11th most cited author in *Computer Physics Communications* (2012)

11th most cited paper in *Physics Reports* (2011)

11th most cited paper in *Computer Physics Communications* (2012)

11th most published author in *New Journal of Physics* (2012)

12th most cited author in *Physical Review A* (Lifetime)

12th most cited paper in *Nature Physics* (2013)

12th most cited paper in *Physica B: Condensed Matter* (1999)

12th most cited paper in *Physics Today* (Lifetime)

13th most cited author in *New Journal of Physics* (2013)

13th most published author in *New Journal of Physics* (2014)

14th most cited author in *Physical Review A* (2011)

14th most cited author in *Physics Today* (Lifetime)

14th most cited paper in *Nature Materials* (2019)

14th most cited paper in *New Journal of Physics* (2013)

15th most cited paper in *Reviews of Modern Physics* (2014)

15th most published author in *Scientific Reports* (2015)

16th most cited author in *Nature Materials* (2019)

16th most cited author in *Nature Physics* (2013)
