The 10th International Workshop on SOLID-STATE QUANTUM COMPUTING

29 November - 1 December 2021
City University of Hong Kong

ABOUT IWSSQC

IWSSQC2021 provides an opportunity for the international scientific community to discuss the recent experimental and theoretical developments in all aspects of solid-state implementations for quantum information processing as well as related areas. IWSSQC2021 is held in a mixed-mode of face-to-face and online sessions. We welcome attendees from all over the world!
