U-M Physicists [Stephen Forrest](#), [Franco Nori](#), and [Ctirad Uher](#) join the list of 2018 Highly Cited Researchers compiled by Clarivate Analytics. Now in its 5th year, this list represents some of the world's most influential scientific minds. Researchers in the list, spanning 21 fields of the sciences and social sciences, rank in the top 1% by citations for field and publication year in *Web of Science*. Forrest, Nori, and Uher are among 38 University of Michigan Principal Investigators (PI's) on the 2018 list along with PI's in mostly medicine and bio-related fields.

A number of other Michigan physicists have also joined the list of highly cited researchers in recent years, including Professors [Timothy McKay](#) and [Mark Newman](#).
