Chair: Marlan O. Scully (scully@tamu.edu)

Program: Olga Kocharovskaya (kochar@physics.tamu.edu)

Organization: Zhenhuan Yi (yzh@tamu.edu), Reed Nessler (rcn@tamu.edu), Aart Verhoef (aart.verhoef@tamu.edu).

Welcome to the 55th Winter Colloquium on the Physics of Quantum Electronics (PQE) !

The conference will be held on January 5 - 9, 2026, Snowbird, UT.

The welcome reception is on January 4th, 6:00pm at the Golden Cliff reception room.

The Skiing is expected to be great, and the physics will be uniformly great!

The Winter Colloquium on the Physics of Quantum Electronics, known as PQE is an annual physics conference that attracts the world's experts in laser physics, quantum physics, and many other areas. January 2026 marks the 55th winter meeting.

PQE is held at Snowbird Ski and Summer Resort. All events take place in the Cliff Lodge at Snowbird.

Snowbird is in Little Cottonwood Canyon, in the Wasatch Mountains near Salt Lake City, Utah, in the United States.

- All talks are by invitation only.
- The posters submission deadline is November 1st.
- Check in will be open January 4th at 5:00PM in front of the Golden Cliff reception room.
- The conference is self-supported and all participants are expected to pay the registration fee. The regular registration fee is \$625. It will be increased to \$675 on January 4th.
- PQE is organized and paid for by Physics of Quantum Electronics, LLC
